

You are Cordially invited to the

HeART for Hope Benefit

A Night of Art and Wine
Supporting the Huntington's Disease Society of America

Come and raise your glass to celebrate friends, family, and hope for a cure through the beauty of ART

I am proud that my team, the Red Admirals, will be participating in the 2nd annual Boston Walk-a-Thon supporting the Huntington's Disease Society of America. In order to bring awareness and sponsorships to my team, we will be hosting our first ever *HeART for Hope Benefit*. We formed the Red Admirals to walk for my mom, Christine Governali, who has suffered with HD for many years. To those that know her, she is as beautiful as a butterfly.

All proceeds from this event will benefit HDSA by supporting my walk-a-thon team, the Red Admirals.
